SCHOLARSHIP & BURSARY PROGRAM

Institut Lyfe (formerly Institut Paul Bocuse) aims to make its courses accessible to as many students as possible. The introduction of a scholarship and bursary program was the initiative of the Fondation Institut Lyfe (formerly Fondation G&G Pélisson for Institut Paul Bocuse). In 2022, a fairer, more transparent scholarship program was introduced, with a target of 20% of students receiving scholarships by 2026.

The scholarship and bursary program is reserved for students enrolled on Institut Lyfe's Bachelor programs.

It functions separately to support provided by public authorities (the CROUS in France, scholarships or bursaries awarded by the government of the student's country of origin, etc...).

This program has been set up thanks to the support of corporate and individual donors who wish to enable deserving and enthusiastic students to live their dream.
